REJECTION MATERIALS:

All materials brought to the site must be approved by the Engineer-In-Charge/Offier in-charge . Rejected materials must be removed by the Supplier from the site within 24 hours of the issue of order to that effect. In case of non-compliance of such order, the Engineer-In-Charge shall have the authority to cause such removal at the cost and expense of the Supplier and the Supplier shall not be entitled to claim for any loss or damage of that account.

TENDER'S RATE:

The Supplier should note that the tender is strictly based on the rates quoted by the Supplier on the priced schedule of probable item of work. The quantities for various other items of works as shown in the priced schedule of probable items of works are based on the drawing and design prepared by the Department. If variations become necessary due to design consideration and as per actual site conditions, those have to be done by the Supplier at the time of execution at the rate prescribed in the tender clause in Pro-rata basis. No conditional rate will be allowed in any case.

DEFECT LIABILITY PERIOD:

This should construe to mean the period of **warranty** (in general one year for branded items) commencing from the actual date of handing over after completion of the work/supply in all respect.

DEFECT AFTER COMPLETION:

Any defect or other defaults that may appear within the defect liability period, arising solely from faulty design or materials, or workmanship or inferior quality, the Supplier shall remain liable for repairing or replacement as the case may be. If any defects be not remedied within a reasonable time, the Corporation/concerned authority may proceed to do the work at the Supplier's risk and expenses, but without any prejudice to any other right which the Corporation/ concerned authority may have against the Supplier in respect of such defects. The Supplier will bear reasonable cost of minor repairs carried out on his behalf at site. At the end of this period, the Supplier's liability shall cease.
